## 1953 Legislative Session Starts Off With Lots Of Disagreement

Republicans and Gov. Williams started the 1953 legislative session agreeing only that schools need money for new buildings and operations.

They disagree on everything else. With a \$6,000,000 deficit in the current year state aid fund, the legislature face the task of raising that amount and an additional \$14,000,000 to maintain the \$190 per student formula.

"This is what we can promise the schools, but we can't do what Williams wants," said Senator Frank D. Beadle (R-St. Clair). Williams proposed raising the state aid level to \$197 per student, taking another \$30,000,000 load on the \$6,000,000 deficit this year.

The real fight over the two plans will come in the House of Representatives. The Republicans, with two votes to spare, were able to pass their version in the Senate.

They said the estimated \$20,000,000 shortage under the pres-

## ABRAHAM LINCOLN

On February 12, 1953, the 8th grade class of Grayling High School gave reports on Abraham Lincoln. The students who took part in this program are the following:

Norman Sorenson, Boyhood of Lincoln; Nancy Stephan, Lincoln-Douglas Debates; Pam Beutler, Slavery; Marilyn Stamply, told about the Gettysburg Address; Tom LaMotte, gave Gettysburg Address; Gwen Davis, Assassination of Lincoln; Bob Morris, Assassination of Lincoln.

After all the reports were given, Karen Atkinson showed color slides about Abraham Lincoln. The program took place in the High School Activity room.

The co-chairmen of the program were: Donna Bailey, Charlene Holcamp, Tom LaMotte.

The class would like to thank all the students who took part in the program.

## More Electricity Used In Grayling

(Special to the Avalanche)

New York, Feb. 10 - Grayling residents are consuming electricity in their homes at a rate that is 53 percent higher than it was in 1950.

Houses that were equipped only with electric lighting, refrigeration and a few basic appliances at that time have blossomed forth since then with all sorts of additional gadgets.

The changes that have occurred in the period, as to the amount of current used and the rates charged, are brought out in studies made by the Federal Power Commission, the Edison Electric Institute and others.

The cost of electricity in Grayling, in comparison with what is charged elsewhere, is shown by the fact that it costs more than 4,000 cities in the United States.

For 100 kilowatt hours, enough for lighting, refrigeration and small appliances, local people pay \$3.45 a month, compared with an average of \$3.89 in the rest of the country.

For 250 kilowatt hours, which is about what most householders consume, the bill locally comes to \$6.45 a month. Nationally it is \$7.23.

The charges in other cities for this quantity vary widely. They range from a low of \$3.15 in Eugene, Ore., to a high of \$11.75 in Etta, Pa., states the FPC.

For 500 kilowatt hours a month, local bills amount to \$8.50 as against \$10.39, on the average, throughout the country.

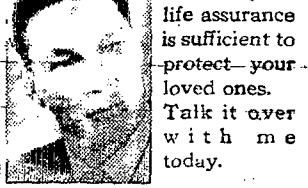

There is a direct connection, say the economists, between consumption of electricity and living standards. As one goes up, so does the other.

The consumption in the region that includes Grayling increased from 2,049 kilowatt hours a year in 1950 to 3,130 kilowatt hours per household in the past year, or 53 percent.

With the expanding use of electricity and the lack of an unlimited supply of the fuels that are now being used to generate it, the long-range reliance is being placed on nuclear energy as the fuel.

## "FLAP-JACKS" HOW COME?

If missile planners want to send some sort of life to outer space, they should use my goddies.

They circle the globe many times every few minutes.

The important thing about missiles is the start. In construction, great care is taken in laying the foundation. The start, or foundation of each day, is the breakfast we eat.

The 11 o'clock "droop" can be avoided at breakfast time. This fact shows up in the reaction of school children.

Cereals... hot and cold, are available at our store. Your family might be pleasantly surprised if served a steaming bowl of oatmeal... some youngsters are strangers to hot cereals. The customer served fried oatmeal mush recently. Even she had forgotten how good it was. Try these old time butters, molasses and watch the mirth in the school children.

A good breakfast starts with fruit or juice. The Florida freeze hiked the price of orange juice, so serve a blended variety, such as orange-and-grapefruit, or pineapple-and-orange. If a family has switched to canned apple or tomato juice as an eye-opener.

"FLAP-JACKS" (pancakes) date back to the 17th century. It was a custom to throw the cakes in the air so that they fell uncooked-side down on the griddle.

In parting... a man becomes less difficult on a full stomach. Know the initials NAB? See you next week.

## "A Vicious Circle"

Everyone who reads knows that the President's budget for the 1959 fiscal year calls for the appropriation of \$13.9 billion — a peacetime record. But even this, as Henry Hazlitt points out in one of his Newsweek columns, doesn't tell the whole story of federal spending. Certain major expenditures, including social security and highways, come out of special government trust funds, and are not included in the general budget. So, Mr. Hazlitt says: "... actual total expenditures will be more than \$86.7 billion."

The President's estimate of receipts for 1959 shows that there will be a half-billion dollar surplus, despite this enormous budget. But that, Mr. Hazlitt says, may well be based on error. Last year, for example, the President both overestimated income and underestimated outgo. Where a surplus of \$1.8 billion was anticipated, there will, instead, be a deficit when the 1958 fiscal year ends next June 30. Mr. Hazlitt observes that: "... the President wishfully estimates budget receipts from the same taxes at \$2 billion more in 1959 than in 1958". Yet business has been declining, and even optimistic forecasters do not expect an upturn for months to come. Revenue estimates could easily prove much larger than the actuality. Then, there is a distinct possibility that Congress may finally come up with a budget calling for larger appropriations than the President has asked for.

Going on, Mr. Hazlitt deals with the nondefense items in the budget. These are — save for "general government" appropriations — higher in every category than those of late years. The total is \$28.1 billion, and \$2.5 billion for the highway program, which is carried as a separate fund, will go on top of this. By comparison, nondefense appropriations came to \$28 billion in 1953, and \$25 billion in 1957.

The defense phase of the budget, as proposed, calls for very substantially increased appropriations for missiles and other new weapons. There is certainly a possibility, perhaps a probability, that Congress will demand still greater increases in this as in other fields. Mr. Hazlitt does not believe that the military budget, as a whole, is sacrosanct. He cites the Hoover Commission and other reports which indicate that "... there is huge extravagance and waste..." in the military establishment.

Going back to the nondefense features of the budget, Mr. Hazlitt finds that there is no problem in knowing where cuts can be made. In his view, there are wide open opportunities for economy in the fields of farm subsidies (\$4.6 billion), foreign aid (\$5 billion), and veterans' benefits (\$5 billion). However, he is not hopeful — as he put it: "... but all this has been pointed out many times before — to no avail."

This is one man's view. But it is a view which is becoming more and more widely shared. There is a growing fear that we will return to deficit spending.

## ONE HUNDRED EIGHTY

that this will be followed by more severe inflation, and that the inflation, in turn, will bring about still higher budgets and still more deficit spending. In other words, there is fear of a vicious circle, feeding upon itself, to which there is no foreseeable end.

## Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVANCE OF 23 YEARS AGO

February 21, 1935  
The attendance at the Village caucus Monday night eclipsed in attendance any that has ever been held in Grayling. The meeting was called for the purpose of nominating candidates for village offices.

Preliminary to the meeting Dr. C. G. Clippert, village president, addressed the assembly requesting that the present village officials be renominated and elected. He gave as his reason for this request that inasmuch as the village was in the process of establishing a new waterworks system, and also that a movement is underway to incorporate Grayling into a city, and that the present set of officers are competent with the preliminary work that has been done, would be in better position to continue in office until these plans are finished. Also, he explained, after the incorporation of Grayling into a city, a new set of officers will have to be elected to replace the present officers, and board of trustees. That will probably be only a matter of two or three months. Accordingly, each and every incumbent was nominated, which is an indication of the general faith the public has for the wishes of Dr. Clippert and his fellow officials.

A group of young people interested in dramatics met at the school Tuesday evening to organize a dramatic club. The club will be known as "The Little Theatre Guild," and will be directed by "Bill" Powell of this city. Mr. Powell is well known in this community and we are very fortunate to have a man with years of stage experience to assist in developing talent among our local young people.

Harold Edwards is for the present the undisputed holder of the title of "Most Envious Fisherman." Edwards brought in the largest pike to be seen in Grayling in some time Sunday afternoon. The mammoth fish was on display all evening in Blackie's Pool room

and about town. The Great Northern weighed 24 1/2 pounds and measured 48 inches from tip to tip. It took Edwards and another fisherman whom he called in to help very close to half an hour of tense fighting before the monarch of the deep was finally subdued and landed.

Veronica, Lovely, Grayling sophomore at Central State Teachers College, was recently made a member of the Warriner Literary Society.

Mrs. S. J. Tennery entertained 12 guests Wednesday evening at a bridge party at her home. Friends went to Mrs. Katzman and Mrs. Clippert.

Earl Woods entertained Messrs. Terry Nelson and Willis Yanz at a fish fry at his home Sunday evening.

Ed Cooper and son, Lawrence, of Birchwood, and the Man-ettes are visiting the Maurice German family for a few days.

An enjoyable neighborhood party was held at the Maple Forest Town Hall last Saturday evening. A sumptuous potluck supper and dancing made the evening pass all too soon.

Dr. and Mrs. C. G. Clippert, Mr. and Mrs. Lorne Sparkes and Mrs. Harry J. Connine enjoyed dinner with friends at the Perry House in Petoskey last Friday evening, previous to attending the Snow Queen's ball there.

The Frederic S. E. R. A. basketball team, playing Johannesburg last Friday evening at the Frederic gym, gave them a clear record of all wins in the five games they have played. The game Friday night ended in the score 17-14. Mr. and Mrs. Herbert Trudeau and daughter, Guinevere and Mr. and Mrs. Gail Cliss visited over Sunday in St. Johns. They found the ladies' father, Charles Fehr, who had been detained there by illness, very much improved, although not able to return home.

Mr. and Mrs. Warren Velland of Kalkaska spent Tuesday visiting friends in Grayling.

Bobby Bennett was nine years old Tuesday and from three to six o'clock that afternoon a crowd of 16 girls and boys made merry at his home to celebrate the glad event. Mrs. Bennett served delicious refreshments with a birthday cake as the center of attraction.

Mr. and Mrs. A. J. Trudeau and son Junior returned from Ann Arbor and Detroit Monday after a several weeks absence.

George Burke's new V-8 truck demonstrator (the big stake rack job we've seen around town so much lately) caught fire while they were hauling some cinders from the round house to the garage.

age. Apparently the cinders had just been removed and still contained live coals. The fire was discovered before serious damage was done.

Clyde S. Glover of Maple Rapids, Mich., was the successful bidder on the rural route No. 37204, Grayling to Lewiston, according to word received Monday. Mr. Glover will succeed Austin Scott, who has been the carrier for the past eight years. Mr. Glover will take over the route on June 1st.

Mrs. W. Clarence Smith of Roscommon was hostess at a miscellaneous shower given in honor of Mrs. Stuart Rutledge (Lillian Swanson) at her home in Roscommon Monday evening. Guests included Grayling friends as well as those from Roscommon. It was a very delightful affair and the lovely girls.

Sheriff Frank Bennett and George Bielski promised Dad Hanson that they would bring him some big fish from Higgins Lake one day last week but the first thing that Frank did when he got there was to fall in. That ended the fishing and Dad didn't get his fish. They were after another big one like "Slips" got, they said.

Ray, the son of Mr. and Mrs. John Stephan, is very ill at his home down river with pneumonia.

Mr. and Mrs. Carlton Wythe spent Sunday down river at the home of Mr. and Mrs. Jack Redhead.

A dozen years ago an old gray horse hitched to an open cutter would have been a common sight. But William Garbutt, a farmer residing two miles west of Fredrick, came into Grayling Wednesday with such an outfit and it was a real curiosity, and darned if it didn't remind us of a lot of cutter rides we enjoyed in the old horse and cutter days.

Hans Peterson, Leon Chappell and Neal Mathews attended a meeting of the Loyal Order of Moose Lodge No. 82 at Saginaw Saturday evening, where Mr. 19 to 13. This is the first time this Mathews was appointed vice-

president of this district, including Petoskey, Charlevoix, Boyne City and Grayling Lodges. A class of 10 candidates was given the work.

46 Years Ago — February 22, 1912

Dr. S. N. Insley was terribly injured Tuesday night at about 9:30 o'clock at Frederic by the south bound Michigan Central train. Both feet were crushed necessitating amputation above the ankle, also his right arm was broken at the elbow, a laceration above one eye, and the base of his skull fractured. The sad news came as a shock to this community and seemed almost unbelievable.

T. Hanson made a business trip to Marquette and Lansing last week. Miss Clara Peterson entertained the Bachelor Girls Sewing club at her home last Tuesday evening.

Miss Camilla Fischer returned Monday night from Detroit and Bay City where she has been spending the past week.

Mr. and Mrs. Esbern Olson who have been spending several months in the west, returned to Grayling last Friday. They spent most of the time of their absence in Denver.

Arthur Wakeley, who is working in Grayling, spent Sunday at home, returning Monday.

There was a nice attendance at the Junior Hop Tuesday night. The ball room was prettily decorated, the class color scheme, red and gold, being carried out.

Seventy-five years ago, today Michigan, the state of which this commonwealth is so justly proud, added another star to the then twenty-five which waved on the flag of our union. Since that time her school system, harbors, natural resources and sterling men and women have given her a place second to none and her glory is still advancing.

Before a crowded house Grayling High defeated Onaway last Friday at Onaway by a score of 19 to 13. This is the first time this Mathews was appointed vice-

## Calvary Ambassadors

The name of our program Feb. 8th was "Signs of Growing Up." Paul Johnson was in charge of it. We had a good number of young people out. We were glad to see some new ones and to welcome back the old ones.

The missionary Harold Winters, from Japan told us about his work over there, along with a few words from the Bible for a short message. We all enjoyed the evening service as well as Young Peoples. He showed us some interesting slides on Japan.

The name of our program this week was "Headlines and Heartlines." I was in charge of the meeting. The theme was a newspaper and the different ways in which a young person took part in the program acting out a character of the Bible.

We all enjoyed the meeting and had lots of fun.

Jerry McEvers summed it up with a short message.

## Frederic News

By Mrs. Harry Horton

It seems this cold-caught-sneezing, they woke up with a lot of frozen up water pipes and cars. Mrs. George Horton has been entered Traverse City Hospital for treatment.

Patsy Henion had a tonsillectomy last Monday at Gaylord hospital.

Mr. Edward Shucks and his sister Mrs. Raymond Brown went to Defiance, Ohio last week.

The regular monthly meeting of the Women's Club will be held this Thursday evening, Feb. 20, at the Town hall at 8 p.m. All members are urged to be present.

Let's all help observe Youth Week in our church by attending the special services.

Mr. Dale Allen of Big Rapids stopped on his way home to visit his family Friday night at Atlanta, Michigan. Also visited with his parents on Sunday enroute to Big Rapids.

Mrs. Edith Payne returned home on Thursday after having spent several days in Flint and Bay City. Miss Edith Payne of Flint arrived on Friday to spend the weekend with her mother.

There will be indoor archery at the Frederic Sportsmen's Hall every Tuesday evening and Sunday afternoon. Everyone welcome.

Troop 117 of Walled Lake wish to thank everyone for the hospitality extended them during their weekend at Frederic. The use of the Town hall as headquarters made their stay comfortable and the excellent food served them at Frederic Inn will be long remembered. The thrills from a day spent at the Winter Sports Park will be something to tell at home. After church on Sunday they all visited the Underground Forest and before heading for home finished off a Turkey dinner at the Frederic Inn.

Scout committee: J. Duncley, H. Wallace, R. Ditzinger, R. Cooper, T. Yant, E. Bechtelheim.

**Frederic Hobby Club**

The meeting was held at the home of Edith Tabin.

Some of the girls worked on rugs. There were 14 members and one visitor (Percilla Freeman) present.

Lunch consisted of jello and cake.

The next meeting will be held at the home of Jeannie Leng.

Marion Bindschael

**Brownie Scouts**

Brownies and their Valentine Party at the Town hall with 18 Brownies and 12 visitors present. Party opened with the singing of "The More We Get Together." Prayer song, "Tell Me Why," followed with "Let Me Call You Sweetheart."

Little Blue, Pink, Yellow, White and Red tickets were then given out. A different game was played by each color: The girls with blue played - Matching Hearts, Zandra Hopkins and Kay McDouth won the prize.

The ones with pink tickets placed a little heart on a ladies apron pocket - Gayle Post, Linda Palmer and Mary Valdeck won. The yellow tickets held a raisin contest, with Pennie Duncley and Gayle Post winning.

White tickets a balloon race and Sandra Heska won. All formed a circle then and played: Go Round 'n' Round the A-Bie - meaning before their lovers - Tony Mon-schau and Wendy Harmer.

Sherry Mon-schau and Penny Duncley acted as mailmen and we all received many lovely valentines.

Lunch was brought in decorated boxes of which Barbara Mertise received 1st prize. Her box had a lovely dancing girl on the top and was really lovely.

Andrea Harmer's box was in the form of a white church and nice red cross on top, she received 2nd prize. Gayle Post received 3rd prize. All the boxes were really lovely.

Thank you dear girls for all the Valentine you gave your leader, they have really reached my heart. This was surely one grand party and we are very sorry so many are ill and could not be present.

Next meeting will be to Mrs. Morden Posts home.

Mrs. Brown, leader

**Frederic P-T-A Meeting Report**

The Frederic P-T-A meeting held Monday, February 10th, was not quite so well attended as before, due to the bad weather.

Mr. Hood, Educational Division of the Conservation Department, was the speaker for the evening. He gave a very interesting and informative talk on the early and forgotten part of the history of Crawford County.

The steak supper served Wednesday of last week was very well attended, meeting a respectable sum.

## World Day of Prayer

The World Day of Prayer will be observed locally in Calvary Baptist Church at 2:00 P. M. on Friday, February 21st.

This is the seventy-second observance of this day which began in 1887. On the first Friday in Lent, thousands of Christians in the United States and around the world will be united in a service of prayer and thanksgiving - prayer for a better world and thanksgiving for our Christian heritage. Services begin on the Tonga Islands west of the International Date Line. Throughout the day services are held in one hundred forty-four countries, the last being on St. Lawrence Island, Alaska.

The purpose of the Day is to unite all Christians in a bond of prayer and to make an offering for Christian missions at home and abroad. The offering is allocated for interdenominational mission work at home among agricultural migrants, low-income farming communities and Indian Americans. In other lands, Day of Prayer funds help to support Christian schools, colleges and hospitals, provide Christian literature and make possible many other mission projects as the Gospel of Jesus Christ is carried farther and farther into the dark corners of the world.

Each year the World Day of Prayer Committee invites one or more women from some country to write the service three years in advance. The service to be used around the world this Friday was written by women from Australia. This was done by women from various parts of Australia, including the aborigines, and is the result of many meetings of prayer and meditation on the theme, "The Bread of Life." The local committee

## Free Methodist Church News

The young people of the Free Methodist church are going to this Saturday to attend a Northland Holiness Youth Crusade Rally. The rally is being held at the Wesley Methodist church. It will begin at 2:30 with a sing-along followed by recreation and supper hour, and an evening service at 7 o'clock.

The Women's Missionary meeting of the Free Methodist church was held at Mrs. Marion Hunter's on Tuesday. A quilt was tied for the Mission fund.

## Pere Cheney Notes

By Margaret Weinwright

Due to increased work at my time, I will be unable to select anymore news items, and one else interested in taking over the job should contact Mr. Strong at the Advance-Record.

George Henry Allen, son of Mr. and Mrs. Frank Allen, a patient at Mercy Hospital, was taken after a collapse at the home of Mrs. Barbara Moore of Bay County.

Mr. and Mrs. Beulah Allen and children and Mrs. Frank Allen family on Wednesday evening.

Miss Jennette Miller returned home from Fort Knox, Kentucky and returned to St. Clair County where she will spend a few days before returning to her home in Fort Knox.

Mr. Frank Allen was the honored guest on Feb. 8th at a party given by the children to celebrate his birthday. An additional surprise was the unexpected attendance of Mrs. Hannah Gabrielle, sons Kurtis and Glade of Rose City.

Mr. and Mrs. Robert Miller and children of Roscommon were callers on the Basil Miller family.

## Hospital Auxiliary Meets

Mrs. Harold Rasmussen, President of Mercy Hospital Auxiliary, presided at the business meeting Thursday afternoon at the Nurses Home. There were 13 members and three guests, and the three guests joined, so the organization is growing rapidly.

Most of the time was spent in making plans and discussing the spring workshop of hospital auxiliaries of the Central Michigan District, to which the local Auxiliary will be the host on March 13. Mrs. Carl E. Johnson is general chairman of the various ladies who were named to head the many committees, such as registration, hospitality, etc. The meeting will be held at Mercy Hospital, and the room in the basement is being made ready. Incidentally, this will be where the Auxiliary will eventually hold their meetings instead of at the Nurses Home.

**Crawford County Avalanche**

Home. The ladies voted to buy 6 dozen chairs, 6 tables and the drapes for windows for this new meeting place. The luncheon for the workshop will be served at the hospital under the supervision of Mrs. Bernice Hilton, R. N., and she will be assisted by the student nurses.

The identification cards and pins have arrived and some of the members have signed up for duty to help with the visitors' cards during visiting hours at the hospital. Any others who were not at the meeting and who would like to help may call Mrs. Barney Engel.

Members will please note the change in the March meeting, which will be the first Thursday, or March 6th. This will be the week before the workshop and details will be taken care of then.

Mrs. Alex Atkinson and Mrs. Foryst Barber were on the lunch committee.

Mr. and Mrs. John Kasper had relatives from Portageville, Missouri, to visit them on Valentine's Day. They were Mrs. Homer Jerrold, mother to Mrs. Kasper, Ira Jerrold, a twin brother, and Dorothy and Deloise, sisters. It has been three years since Mrs. Kasper has seen her family.

Leon St. Johns, former resident, was among the Voice of Christian Youth members of Detroit enjoying the Winter Sports Park. Leon is learning to be a draftsman with the Ford Motor Co., training program.

Mr. and Mrs. Charles Piper have returned home from Chicago where they attended the national sporting goods show. Their daughter and husband, Mr. and Mrs. Farnham Jarrard, Jr., of Appleton, Wis., joined them there for the 5-day between semester vacation from Lawrence College.

Mr. and Mrs. Earl Woods of Midland brought with them a group of Boy Scouts from the Midland Methodist church to spend the weekend at the farm. Mrs. Woods' sister, Miss Margaret Failing of Bay City, also accompanied them here, to visit another sister, Mr. and Mrs. Lorne Douglas, over the weekend.

Mr. and Mrs. Dwight Reava and baby Dee and Mr. and Mrs. Richard Reava and son Donnie of Mt. Pleasant and Miss Nancy Reava of Lansing spent the weekend visiting their mother, Mrs. Roy Johnston.

Mr. and Mrs. Fred Bear returned February 8th after spending a week in Chicago attending the national sporting goods show, and several weeks in the south.

Mrs. George Sorenson returned last Thursday after visiting her five sisters and brother in Grand Rapids for two weeks, and her son Thorvald Sorenson and family and other relatives in Detroit for another two weeks.

Mrs. Glen Raup had the misfortune to fall and break her arm last Saturday. She returned to St. Johns with her son and family, Mr. and Mrs. Bob LaChapelle, after their weekend visit, to visit until her arm heals.

## Veteran Advisor Here February 19th

Arthur M. Brokenshire, Jr., Field Service Office for the Marine Corps League, was to be in Grayling February 19th instead of February 12th, which was a government holiday, to assist veterans with any benefits for which they may be eligible. He will be at the City Hall Wednesday from 10 a. m. to 12 noon and from 1 p. m. to 4:30 p. m. There is no charge for this service.

## Mt. Hope Lutheran Church Plans Lenten Services

A series of mid-week Lenten services will be held at Mt. Hope Lutheran Church of Grayling at 8 p. m. each Thursday starting February 20th, according to the Rev. Gordon H. Light, pastor. The special Lenten services will be conducted by the Rev. Light, together with guest speakers, the Rev. E. Azzam, pastor of the Lutheran Churches of Standish and Agnes, and the Rev. W. Hassold, pastor of the Lutheran Churches of Gladwin and Oberlin.

The meditations for this Lent will center about Jesus and those people who came in contact with Him during the last hours of His life ministry on earth. This year, Rev. Light will speak on the theme: "Christ and Judas."

The members of Mt. Hope Lutheran Church will set aside some quiet moments each Thursday evening to express their devotion to God. They invite others to pause each week and worship with them at these brief evening services.

"The quietness of our House of God invites you to meditate, think, and pray over the sacrifice of Christ for your sins. Come and receive a blessing," said the Rev. Light.

## Michelson Memorial Church News

An unusual feature of the morning worship service was the presence of the entire Kindergarten Department of the church school. A regular part of the Kindergarten program is an annual lesson on "Our Christian Symbols" taught in the tradition of discredited blue laws of the past" and added that "our nation, its lawmakers and its people are upholding the sacred principles of separation of church and state which will render such proposed legislation both un-American and unconstitutional."

The first of the Union Lenten Services will be held on Wednesday at 1:45 p. m. Rev. Donald Brady of the Congregational Church of Roscommon will be the speaker. He will be assisted by Rev. Donald Healy of the Free Methodist Church.

At 3:30 on Wednesday the Junior and Primary groups will hold their regular meetings, but after the preliminary activities the Primary group will be guests of the Light Brigade at a special service in the sanctuary at which time Mr. Puffer will instruct both groups in the significance of Ash Wednesday and the Lenten Season. The Light Brigade will also conduct the World Day of Prayer Service for Children on Friday at 3:30 P. M.

The Couple's Club will meet Saturday evening of this week and on Monday February 24 Mr. Puffer will begin a Class of Instruction for boys and girls planning to join the church on Palm Sunday.

## Mercy Hospital News

Among the patients at Mercy Hospital this week were Kenneth Haley, Clara Burns, Bert Brooks, Loretta Christian, Johanna Gorman, Mary Galloway, Beverly Kinkertler, Emil Rochette, Lacey Stephan, Carl Strang, Hazel Trudgen, Aubrey Walmsley, Mary Ann Clerke and Alfred Hoffman of Grayling; William Monschau of Frederic; Norma Auble, Sally Bresnahan, Fred Barber, Leota Cingano, Muriel Cherven, William McDunnell, Ethel Owen and Betty Stough of Roscommon; Lillian Blakeslee, Mary Lee Sanderson, Jack Sullivan, Marie Pierce and Vernaeta Westcott of Houghton Lake; Shirley Barton of St. Helen; Frank Kruse, Albert Mitchell and J. Wellington of Lewiston; Winona Bevens of Kalkaska; Helen Blauw of Grand Rapids; Rev. Melvin Eidson of Thitt; John Noa of Gaylord; George Smith of Mio; and Bernice Samson of Buchanan. Mr. and Mrs. Thomas Weede of Prudenville had a son born February 15th. Mr. and Mrs. Jerome Lake of Roscommon had a daughter born February 16th.

## Local Man Attends Lansing Ministerial Meet

Ronald Edsel of Grayling, Camp AuSable superintendent, was among one hundred clergymen and workers who attended a three day ministerial council in Lansing. The workers represented 162 Seventh-day Adventist congregations throughout Michigan.

Reporting to the local congregation at their regular Sabbath service, Mr. Edsel announced that a unanimous resolution has been passed by the body opposing the proposed legislation which would curb Sunday retail sales. The resolution, which is being sent to the state's lawmakers, characterized attempts to curb Sunday retail sales as "a distinctly religious law in the tradition of discredited blue laws of the past" and added that "our nation, its lawmakers and its people are upholding the sacred principles of separation of church and state which will render such proposed legislation both un-American and unconstitutional."

It was pointed out that despite provisions in the suggested legislation that would exempt those who worship on another day than Sunday, opposition was to the law in general. "We are opposed to any laws which breach the principles of separation of church and state. It is our belief that religion can best be maintained by free and unhampered persuasion rather than by legal action."

Summing up the opposition to the proposed legislation, "We believe that the answer to the problems that the law would seek to correct is not in additional legislation. We cannot legislate sanctity into any one day of the week and neither can we increase respect for religion by compelling people to rest on a specified day. This ought to be a challenge to Christians of every denomination to take a more active part in the work of their church and extend its influence in that manner."

# NOTICE TO DOG OWNERS IN CRAWFORD COUNTY

We have had a lot of complaints about dogs running wild and being a public nuisance on the streets and also at the School.

According to the state law a dog must be on a leash or under the immediate control of its owner.

There have been complaints of dogs knocking little children down at the school. The owners are RESPONSIBLE for any damage that is caused by their dog.

If every dog owner would take care of their own dog according to the state law there would be NO COMPLAINTS from the public or your neighbors.

Anyone having dogs that they do not want, call us and we will dispose of them for you. Also the 1958 dog tax is due and should be paid. If not paid by June 1, 1958 the tax will be double.

Will every dog owner CO-OPERATE in this matter and keep dog NUISANCE to a minimum.

#### Why Do Ski Trousers Rip And What To Do About It!

Since the beginning of the  
this country the ski clothing in-  
dustry has been faced with the  
problem of ski trousers worn once  
or twice, ripped and returned to  
the retailer for credit. The skiers  
feel that the garment did not give  
satisfactory service and demand a  
new pair.

The apparel manufacturers are  
sensitive to this problem as to  
where their responsibilities begin  
and end. A lot of obvious factors  
common to all these returned gar-  
ments.

1. Every manufacturer gets  
some returns. Therefore it is not  
necessarily the fault of the indi-  
vidual manufacturer.

2. Almost all these garments  
are ski trousers.

3. Almost every pair returned  
is torn or split in the same area,  
namely, the crotch-fly section of  
the garment.

It can clearly be shown by  
scientific tests that forces am-  
ounting to hundreds of pounds per  
square inch are concentrated in the  
fly-crotch area of trousers  
when a skier falls. This area is  
also inevitably weakened by the  
large number of sewing stitches  
and bar tacks meeting here. These  
unusual conditions make it impos-  
sible for an active skier to split  
his pants from hard falls and sud-  
den, snapping pressures even on  
first wearing.

Anyone who has tried to break  
a string by pulling it apart knows  
how difficult it can be. Yet the  
same string can be broken easily  
by sudden snapping pressure.  
This is exactly the kind of force  
that is created in bad spills while  
skiing. Seams may rip under these  
conditions even though the most  
durable fabrics available are used  
and the strongest and safest stitch-  
ing methods are employed. It is  
difficult sometimes to explain this  
to a skier who comes in with a  
torn pair of ski trousers. However,  
a man who drives his car into a  
ditch does not bring the car back  
to his automobile dealer for re-  
placement because of broken  
springs or other things resulting  
from the accident.

To a certain extent this hazard  
can be minimized by correct fit.  
Manufacturers can reduce split-  
ting somewhat by selection of the  
proper patterns, retailers by the  
education of the skier as to the  
proper fit of ski pants. However,  
the apparel manufacturers of the  
National Ski Equipment and Cloth-  
ing Association feel they can ac-  
cept no responsibility for this type  
of damage and make no replace-  
ment. It is distasteful not to give  
a pair of new pants to replace the  
ripped ones, but it is hoped that  
both dealers and skiers will un-  
derstand that a thousand pounds  
of pressure may be exerted on a  
sudden ski fall. And that this  
twisting pressure can rip even the  
best pair of ski trousers.

The ski clothing industry sin-  
cerely trusts that the skier will  
try to understand this problem  
when he or she suffers a torn ski  
garment under the circumstances.

## Carole Baynham Second Pie Contest Winner

Due to an error in information, Miss Carol Ann Baynham's name was omitted as second prize winner in the Crawford County cherry pie contest staged February 7th at the Grayling High School. Pamela Mauren was a second place winner in the High School contest, but not the County contest.

Our Maple Forest correspondent had the item correct in last week's issue.

## BABY SHOWER HELD

Mrs. Gene Rauch was the guest of honor at a baby shower at the home of Miss Shirley Hoel Tuesday evening, February 11th. Mrs. Marguerite Leslie, and Miss Rhea Dunham were co-hostesses to the fifteen guests.

Games entertained the ladies, and those to win prizes were the guest of honor Mrs. Rauch and Mrs. Robert Gildner, while the house prize was won by Mrs. Gloria Sawyer.

Afterwards Mrs. Rauch opened her many lovely gifts, which were displayed on a stork-contorted table. A delicious luncheon served by the hostesses concluded an enjoyable evening.

Mr. and Mrs. W. O. Hildebrand of East Lansing, Mich., have a new grandson named John Edward. He was born February 8th, to Mr. and Mrs. J. E. Lerchen in Indianapolis, Ind. He weighed in at 6 lbs. 14 oz. Another Hildebrand daughter, Miss Jane, is enrolled at Eastern Michigan College at Ypsilanti, this year.

Lt. and Mrs. George Schaible, Jr., left Wednesday of last week for Okemos, to visit her parents, Mr. and Mrs. Notter VanderMeulen, until Tuesday.

Mr. and Mrs. Carl... spent Wednesday of last week visiting the latter's sister, Mr. and Mrs. John Wharf.

Mrs. Gene Rauch was the guest of honor at a farewell party at Lake Valley Resort on Wednesday February 5th, as she is leaving the Grayling Bank employ. Her hosts were her fellow workers, Mrs. Marguerite Leslie, Miss Shirley Hoel, Miss Rhea Dunham and John Alef and Glen Sawyer.

Mr. and Mrs. Glen Boger left last week to make their home in Atlanta, where he is opening a barber shop. Glen's brother and family, Mr. and Mrs. Burton Boger, are moving into the former's home at 806 Plum.

## Two Thousand Attend Conference

Some two thousand people attended the 19th annual citizens conference on education held at the Civic Center, Lansing on February 11th.

The meeting was opened at ten o'clock by Mrs. Charles Nelidre, President, Michigan Congress of Parents and Teachers. Following the invocation by Rev. Mr. Herman P. Fedewa, of St. Mary's Cathedral, Lansing, greetings and an explanation of the purpose of the conference were given by Lynn M. Bartlett, Supt. of Public Instruction.

Much food for thought was given to the assembly by Dr. Eric A. Walker, president of Penn State University in his talk entitled "A New World — A New Curriculum". He advocated a nine point program for improved education as follows: Improve methods to identify the potential scholar; Motivate the superior student to go to college; Make it possible for every gifted child to receive maximum education; Encourage all students to work at the highest level of their ability. The influence of parents can do much to further this goal; Find better teaching methods. There is nothing sacred about the old way and pattern if a better way is available; In connection with the set aside adequate finance for research in education; Bring selective service up to date. In other words he explained America should change its concept from military service to national service. Work out a system whereby those who should go into military service would do so and those who ought to go into national laboratorics or into other branches of government training in time of emergency would do the same, the pay to be alike for all and all would receive the same basic training in the type of discipline necessary to meet the requirements; Use the technical and professional people already available to better advantage and finally eliminate the fixed fee system for government projects so they can compete for talented workers with private industry. Dr. Walker suggested that we best "tighten our belts" if we want to compete with Russia, that Russia doesn't waste much steel on private automobiles, refrigerators, toys and sink tops. He summed up his talk by saying that public understanding is the key to the solution to the problem and only the most concerted public action can meet the challenge of this scientific age.

Lunch and group meetings made up the remainder of the program. Those attending signed up for their choice of twenty topics of discussion. These groups averaged around 100 and were further divided into units of ten. Following the discussion a summary of the results of each group was given.

Short talks by W. D. Merrifield, director, Industrial Education, Chrysler Corp., member Detroit Board of Education and chairman, Board of Governors, Wayne State University and Gov. G. Mennen Williams followed.

The Rev. R. E. Eshmeier of St. Paul Evangelical and Reformed Church closed the meeting.

Attending from Grayling were: Joseph Stripe, Mrs. Robert Funk, Mrs. Robert Lovell and Mrs. Robert Strong.

Mr. and Mrs. William Christenson observed their 45th wedding anniversary on Tuesday, February 11th. In celebration of the event their daughter and family, Mr. and Mrs. Robert Bovee, took them out to dinner, also Mr. and Mrs. Frank Serven, and afterwards to the Grayling-Gaylord basketball game.

Norval Stephan, Bernie Fowler, Earl Madsen and John Cox returned last Thursday from several days' fishing at Maxton Bay, on Drummond Island. They

caught one a 17 1/2 pounder, 42 inches long, caught by John Cox. There were also 3 between 5 and 5 1/2 pounds. Their catch included 3 cisco. Quite a worthwhile trip.

Mr. and Mrs. Ed Lowrie and Mr. and Mrs. Lewis Stillwagon enjoyed a day of skiing at Boyne Mountain last Thursday.

Mrs. George Skingley returned home last Thursday from Wyandotte, where she had been visiting her daughter and family, Mr. and Mrs. Vernon Gardner, and new grandson, James Vernon, born January 28th. Young James weighed 10 lbs. 6 oz., at birth.

Fred Cook of Bay City visited his cousin, Johnny Cook, over the weekend.

Dr. and Mrs. Jack Cook entertained their son Johnny, Billy Joseph, Jack Welch, and Mickey Stillwagon with an afternoon of skiing at Hidden Valley Ski Club at Gaylord last Thursday, followed by dinner there too.

Mr. and Mrs. Steve Hanna and children arrived Wednesday last to spend the weekend with their parents, Mr. and Mrs. Lacy Stephan, after being away from their Traverse City home ten days in Flint, visiting relatives.

Dick Armbrust of Kalamazoo left last Tuesday and returned to the weekend to get his wife and son Steven. All had been visiting at the home of her parents, Mr. and Mrs. Jess Sales.

Mrs. Clement Blaine was hostess to the Just Us club on Tuesday evening, the 11th. Games and

contests furnished the entertainment. Valentines marked the places when lunch was served. Wilhelm Rase fell on Monday last and fractured his left leg just above the ankle.

Mrs. John Ludeman invited a number of her friends to enjoy coffee and dessert at Dawson's last Thursday.

Floyd Davis has something to add to the recent other stories. Looking out the window at his home on the East Branch last week he saw a large sized one lunging on a fish which looked to be about 18 inches long. He was devouring it from the tail forward and between bites ducked it into the river. Another offer a short distance away enjoyed about a 12 inch fish which he gulped very much as a seal does. The animals were in view about fifteen minutes and then were gone.

## To Administer National Scholarship Test Here

Announcement was made this week by Henry Sherry, principal of Grayling High School that the National Merit Scholarship would be given to students of Grayling's junior class this year.

Over five million dollars in scholarships await the award winners. It is necessary for students who wish to take the test to register in Mr. Sherry's office prior to March 20 which is the deadline.

The National Merit Scholarship Corporation administers the nation's largest independently supported college scholarship program for high school students. In the 1957-58 academic year it provided more than \$5,000,000 worth of four-year scholarships. The amount of the scholarship is determined by financial need, and they are renewable annually without further competitive examination. Dr. Stalnaker stated that this national program, which embraces ALL U. S. territories and possessions, sends thousands of deserving students to college — students whose unusual talents might otherwise be wasted due to their inability to finance the increasing cost of high education.

The 1958-1959 testing program is designed to provide more service to participating students and schools. While it will still serve primarily as a preliminary screening instrument to select thousands of scholarship winners, the program has several new and important guidance and educational planning features. These additional benefits will be best realized

by testing at the end of the junior year rather than at the start of the senior year. These new values are such that many students will want to take the test for purposes of educational or vocational planning, even though they do not expect to win a scholarship. Dr. Stalnaker stated.

All students will receive a report of their scores. These test results will enable students to understand their present academic strengths and weaknesses, will give them facts with which to plan their senior year, will help them decide about going to college, and will enable them to select college courses of study in which they are most likely to succeed.

All high school students in their second-semester junior year or first-semester senior year are eligible to take the test. Students can be enrolled in any public, private, or parochial school in the forty-eight states, the District of Columbia, Alaska, the Canal Zone, Hawaii, Puerto Rico, or the Virgin Islands. The charge for the test is \$1.00 per student, payable on the examination day — Tuesday, April 29, 1958. (In event of financial hardship, a limited number of students will be tested free. Students should consult their principals on this matter.) Tests will take place from 9:00 to 12:00 in all participating high schools.

Science Research Associates of Chicago, an educational testing, consulting, and textbook publisher, has been retained to construct, administer, and score the scholarship qualifying examination. This Company also conducts many other large-scale testing programs, including the Illinois State Scholarship Program, the Selective Service testing program, and the Naval Reserve Officers testing program.

## HONORED WITH SHOWER

Mrs. Roy Failing and Mrs. Peter Stegman were hostesses at a shower given in honor of Mrs. Ted Drefts and baby Judy Ann, of Gaylord, at the home of Mrs. Ralph Millikin on Wednesday, February 12. About nineteen guests were on hand, and were entertained with an evening of games. Prize-winners were Mrs. Jack Millikin, Mrs. LeRoy Millikin, Mrs. Don Millikin, Mrs. Oscar Goss and Mrs. Joe Cinciala. The group enjoyed a nice luncheon, and Mrs. Drefts received many very fine gifts.

## Road Commis- sioners Minutes

February 7, 1958  
A regular meeting of the Board of Crawford County Road Commission was held in their office in Grayling. The meeting was called to order by Comm. Johnson, chairman. Members present, Comms. Johnson and Corsaut and Supt. Carlson. Absent, Comm. Richmond.

The minutes of the last regular and special meeting read and approved.

A letter from the County Road Association concerning Bills before the present session of the legislature was read by Supt. Carlson.

At the conclusion of the business meeting the Commission accompanied Mr. Roger Hekhuis, Motorola Sales Engineer, to the Mackinac Straits Bridge where Mr. Lum Doyle, Maintenance Engineer for the Mackinac-Bridge Authority showed the group the maintenance operation of the bridge.

After returning to their office a motion was made and supported to adjourn. Motion carried, meeting adjourned.
